

Class 2 plate and Log Haul

The registered owner of a log haul truck can use Class 2 vehicle license plate in the following circumstances.

1. Section 77(1)

- a. Within a 10 km. boundary of the location specified on the vehicle Certificate of Registration (Registered owners address)
- b. Within the boundaries of the 4 specialized areas providing the vehicle Certificate of Registration shows a address within the boundaries of the special areas. (see attached maps)
- c. If you are a farmer transporting logs or sawn lumber produced on the farmers land and being transported to market.

2. Section 77 (2) (m)

- a. In carrying out of a person's occupation or business if no goods are being transported (This will get you home if operating transporting logs on licence of occupation road)
- b. Operating on a licence of occupation road

3. Class 2 plates can be upgraded, so to speak, by obtaining a single trip or a 30/60/90day licence permit. This will permit the vehicle to be operated provincially under the terms and conditions of the permit.

Operator Licensing and Vehicle Control Regulation AR 320/2002

Class 2 Plates

77(1) The Registrar may classify a commercial vehicle that does not operate under the authority of an operating authority certificate as a Class 2 commercial vehicle if

- (a) it is used
 - (i) solely within a city, town, specialized municipality, village, summer village or hamlet in which the owner of the vehicle maintains the postal address of
 - (A) the person's residence,
 - (B) the business in respect of which the vehicle is used, or
 - (C) within 10 kilometres of the boundaries of that city, town, specialized municipality, village, summer village or hamlet,
 - (ii) solely within Drumheller and area, Grande Cache and area, Crowsnest Pass and area or Fort McMurray and area, as shown on a map for the purposes of this provision that is maintained by the Department, and the owner of the vehicle maintains the postal address of the owner's residence or the business in respect of which the vehicle is used in that area, or
